Dear Mr. Krause:

On September 6, 2002, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of D. D. Bean and Sons Co. (D. D. Bean). The purpose of the inspection was to determine D. D. Bean's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, D. D. Bean was issued Letter of Deficiency No. WMD 02-44 (LOD). Based upon a review of D. D. Bean's submittals dated December 3, 2002 and January 31, 2003, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor D. D. Bean's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Jessica Cajigas or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,

Kenneth W. Marschner, Administrator
Waste Management Programs
Waste Management Division
